AUDITORS' REPORT TO THE MEMBERS ON REVIEW OF INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying interim condensed statement of financial position of The Bank of Punjab (the Bank) as at 30 June 2010 and the related interim condensed profit and loss account, interim condensed statement of comprehensive income, interim condensed cash flow statement and interim condensed statement of changes in equity and explanatory notes (here-in-after referred to as the "interim financial information") for the six-months' period then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

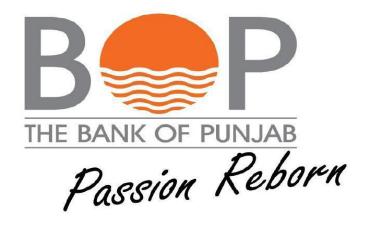

Emphasis of Matter

Without qualifying our opinion we draw attention to Note 1.2 to the interim financial information which fully explains relaxations granted by the State Bank of Pakistan from provisioning against certain advances, and regulatory capital requirements, based on the undertaking by the Government of Punjab in respect of the deficiency in capital.

1. Status and Nature of Business

1.1 The Bank of Punjab (the Bank) was constituted pursuant to The Bank of Punjab Act, 1989. It was given the status of a scheduled bank by the State Bank of Pakistan (SBP) on 19 September 1994. It is principally engaged in commercial banking and related services with its registered office at BOP Tower, Block E/II, Main Boulevard, Gulberg III, Lahore. The Bank has 272 branches (31 December 2009: 272 branches) in Pakistan and Azad Jammu and Kashmir at the period end. The Bank is listed on Lahore, Karachi and Islamabad Stock Exchanges. The majority shares of the Bank are held by the Government of the Punjab.

During the year, the authorized share capital of the Bank has been increased from Rs. 10,000,000 thousand to Rs. 50,000,000 thousand through amendment in the Bank of Punjab Act, 1989 via Punjab Finance Act, 2010.

The paid-up capital, reserves (net of losses) and advance subscription money of the Bank amounts to Rs. 2,888,574 thousand, as against the minimum regulatory capital requirement of Rs. 6,000,000 thousand and Capital Adequacy Ratio (CAR) remained below the prescribed level of 10%. Further, as at the close of the period ended 30 June 2010, net advances aggregating to Rs. 32,091,130 thousand requiring additional provision of Rs. 26,051,643 thousand there against, have not been subjected to provisioning criteria as prescribed in State Bank of Pakistan's (SBP) prudential regulations in view of the relaxation provided by SBP vide letter No. OSED/Div-01/SEU-03/010(1)-2012/568 dated 13 March 2012, on the basis of two Letters of Comfort (LOCs) issued by Government of the Punjab (GOPb) as explained in para below.

Government of the Punjab (GOPb) being the majority shareholder, in order to support the Bank, deposited Rs.10,000,000 thousand as advance subscription money in 2009 and subsequent to the statement of financial position date, further deposited Rs.7,000,000 thousand as advance subscription money during the year 2011 against future issue of shares by the Bank. Further, the GOPb vide two Letters of Comfort (LOCs) issued on 29 March 2012, has undertaken to inject the necessary funds to make good the capital shortfall to the satisfaction of SBP up to a maximum amount of Rs. 5,800,000 thousand (net of tax @ 35%) and Rs.12,940,000 thousand (net of tax @ 35%) within a period of 90 days after close of the year ending 31 December 2014 and 31 December 2016 respectively in event of the Bank failing to make provision of Rs.28,840,000 thousand or if there is a shortfall in meeting the prevailing regulatory capital requirements as a result of the said provisioning.

In addition, in terms of above LOC, the GOPb being majority shareholder and sponsor of the Bank, has also extended its commitment to support and assist the Bank in ensuring that it remains compliant with the regulatory requirements at all times.

Based on above, the State Bank of Pakistan has granted the Bank relaxations from provisioning requirements of SBP's prudential regulations and exemption from applicable capital adequacy ratio (CAR) and minimum capital requirements for the years 2009, 2010, 2011 and 2012. However, the minimum level of CAR should not fall below 7% for the years 2011and 2012. Further, the SBP has also agreed to allow above relaxations for the period of another 3 years including year 2012 based on examination of the business plan to be submitted by the Bank to the SBP by 30 June 2012.

On the basis of above enduring support of Government of the Punjab, actions as outlined above and the projections prepared by the Bank's management, which have been approved by the Board of Directors, the Board is of the view that the Bank would have adequate resources to continue its business on a sustainable basis in the foreseeable future.
